Course for Sep / Oct : Calendar Project

Chameleon Workshop's popular 'Calendar Project' is back! This year we will take our inspiration from Hong Kong's holiday calendar. With 17 public holidays linked to various religious and cultural festivities, your calendar will act as a colourful and artistic guide to a year in Hong Kong!

Come and study the art of Chinese Horoscopes, make lanterns for Mid-Autumn festival, draw beautiful dragon boats, exquisitely decorate eggs, create expressive paintings inspired by fireworks that fill Hong Kong's skies, and wonder at the over-sized, glittering Christmas decorations that fill Hong Kong's streets and shopping malls.

Your art work will be printed in a calendar for 2011 so get your orders in early for extra copies.
